

The Leader Of The One World Religion Of Revelation 17 IS THE ROMAN CATHOLIC PAPACY!

It is very important to see that John's beast mentioned in both REVELATION 13 & 17, has a dual meaning. REVELATION 13 represents both the 'revived Roman Empire' and its imperial head; the Antichrist.

The 'revived Roman Empire' is seen coming out of the sea of the nations;

REVELATION 13:1,2; as the 'Antichrist', he comes up out of the abyss; **Revelation 17:8**.

Now the 'woman who rides the beast', is also mentioned in **Revelation 17:3**;

'I saw a woman sitting on a scarlet beast that was covered with blasphemous names'

Let's stop here to examine this verse, in light of the above prophesy quoted;

During the reign of the Antichrist, which is still future, there will be a false world ecumenical religion. This will take place during the seven year tribulation period, after the true saints are raptured.

The leader of this false world religion will be undoubtedly '**the Roman Catholic Church**'.

Now watch closely, and see what the Bible further states about this woman;

'The woman was dressed in purple and was glittering with gold, precious stones and pearls, and she had a golden cup in her hand filled with abominable things and filth from her adulteries'

- Revelation 17:4

Popes are known for all of the above, as recorded in history. Notice also the golden cup in her hand, which is used in the Roman Catholic Mass!

'I saw that the woman was drunk with the blood of the saints: the blood of the saints, who bore the testimony to Jesus' – Revelation 17:6

Who is famously known, for burning Christians at the stake? None other than the **Roman Catholic Church** herself! The last years of this age will witness a new inquisition.

After the 'rapture', hundreds of millions of tribulation saints will respond to the Gospel of the Kingdom, however they will be martyred because of their faith. During the first half of the seven year tribulation

period, the false church will launch a relentless inquisition against those men and women, who choose to follow God instead of receiving the **'mark of the beast'**.

You notice in Revelation 17, the title that was written on this womans forehead; **Mystery Babylon**
Some writers confuse: the 'two Babylons' in Revelation 17 & 18. 'Mystery Babylon, the mother of harlots', represents the false religion in the last days, which will be based in Rome. In Revelation 17:16 it states;

'The beast and the ten horns you saw will hate the prostitute (false church), they will bring her to ruin and leave her naked; they will eat her flesh and burn her with fire.'

In other words, they will burn her churches. For the first three and a half years of the tribulation, the false church will dominate politically, but after it is destroyed, the Antichrist will be a religion unto himself, having his religious headquarters moved to Babylon (modern day Iraq), which Sadam Hussein started rebuilding but did not finish. Whoever finishes it will be fulfilling prophecy as purposed by God before the foundation of the world.

The city of Babylon in Iraq will become a centre of demonic religion, finishing off, what the Roman Catholic Church started, before the return of our Lord Jesus Christ at the close of the Tribulation period.

Roman Catholicism, has become the ecumenical leader in a move to unite, not only Protestantism, but all of the worlds religions, in a new world religion. Rome of course will be the headquarters and Roman Catholicism will be in charge. Already she is preparing the way with amazing statements of accepting anything from voodoo to false evangelicalism.

The reason for identifying the 'false church', with Babylon, is that Babylon was the first organized religious rebellion against God, which began in ancient Babylon under the rule of Nimrod.
'Pontifex Maximus' (the Pope), was borrowed by the Roman Emperors from the pagan religious leaders of Babylon.
