

The True Church Of Jesus Christ: NOT Roman Catholic

Anthony Gulyas; editor

The word **cult** comes from the Latin word **cultus** which means **worship and veneration**. Today there are over a 1.4 billion deceived men and women in this worldwide **cult of Roman Catholicism**, who worship and venerate that which they know not. It is a shock to many sincere and uninformed people that this modern day **caesar worship**, which really is **Babylonian Baal Worship (sun worship)**; has nothing whatsoever to do with true New Testament Christianity.

What is amazing the most, is how the majority of the churchians and religious people (even Evangelical Protestants), consider Roman Catholics to be born-again Christians, whom they say, God has told them, it is okay to stay in the vile and corrupt Roman Catholic Church. This has never been the way that God feels about this. God has always told man to come out and separate himself from anything idolatrous or corrupt. God's thinking is;

‘wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you’. – 2 Corinthians 6:17

Have we so soon forgotten what price the Lord Jesus Christ, our only High Priest and captain of our salvation had to pay with His own blood to procure our salvation?

Do we forget the price the apostles of the early church and the reformers of the protestant reformation had to pay, to deliver the truth unto us?

Have we so soon forgotten what the message of the protestant reformation was? Do we so lightly esteem the great work of God, which was wrought; in bringing man out of the dark ages, freeing man's mind from the tyranny of Roman paganism.

Those today who call themselves Evangelical Protestants, have obviously forgotten the high price Jesus Christ, the Apostles and Prophets of God had to pay to defend the truth. Churchians today are preaching a watered down lukewarm gospel and they are definately not protesting against the abominations of Rome, yet they have the gall to call themselves protestants. Indeed, how we've fallen away from the truth of the Gospel of Grace. So called christians of today, hang your heads in shame! You've been so enamored and caught up in the **‘fake love only gospel’** that you've neglected the Commandments of God, His Law, His Judgments, but most importantly **His grace and mercy**. If you really loved the Roman Catholics, as you say you do, more of you would expose the sinister and foul doctrines of this abominable institution of demonic heresies. Instead of fellowshipping with the Roman Catholics in the **ecumenical and charismatic movement**, which is exactly where this **phoney love only gospel** has gotten you. You don't love someone by telling them it's okay to stay in wickedness and sin. Could It be that you so called christians, who are really just religious pharisees, haven't the slightest clue as to what real agape love and the mercy of God really is?

The Roman Catholic institution has used the Ecumenical and Charismatic movement over the last fifty years very well, to weasel their way into the hearts and minds of men, to basically get everyone to agree with them and say, yes 'roman catholics are born-again christians as well.' What a lie, and you so called Protestants and especially you Neo-Pentacostals have swallowed it hook, line and sinker. You are chargeable and to blame for the spread of this apostasy, and the judgment of God can only be laid squarely at your feet.

If the reader of this letter thinks this is being too harsh on the Roman Catholics and it is using them as a whipping post, let the reader be reminded that it is the doctrine, teachings, and wicked Roman Catholic priesthood that are being addressed, This is said out of love for the Roman Catholics themselves, not the papacy. The papacy as an institution cannot be redeemed or cleaned up at this point, it has gone too far for that. Only the judgment of God can take care of this religious political institution now, which has to be laid squarely at it's feet.

The '**Council Of Trent**'; a Roman Catholic Jesuit led council from 1545-1563 put forth the statement; '**whosoever shall affirm that men are justified solely by the imputation of the righteousness of Christ.. let him be accursed.**'

Pope John Paul II defended this 'belief, which Is anti-Bible and anti-Christian.' This of course shows of what spirit Pope John Paul was of; It certainly wasn't a holy one. Pope John Paul was definately of the spirit of antichrist. Let Roman Catholicism and her entire legions of demons be accursed with the above blasphemous lie.

It seems that Pope John Paul II, had many people fooled as to whose side he was on. Let me repeat, he was the enemy of the Lord Jesus Christ and the Gospel of Grace. It is amazing how Pope John Paul II haf fooled Billy Graham; which is a classic case in point. **Billy Graham in 1948 said; 'the three greatest enemies faced b orthodox christianity are; communism, roman catholicism, and mohammedism.'**

It seems that Billy Graham, when he started out in his ministry, understood that Roman Catholicism was the enemy of Jesus Christ and the gospel of Grace. Graham has compromised and changed his tune now though.

In the 'Catholic Herald'; June 3, 1966, Billy Graham is quoted as being a friend of the Jesuits in the United States. And further; '**Dr. Billy Graham received an honorary degree of Doctor of Humane Letters from the Roman Catholic College, Belmont Abbey in 1967. Billy noted the significance of the occasion by saying that this is the time when catholics and protestants could meet together and greet each other as 'brothers, whereas 10 years ago they could not.'**

In April, 1972 Billy Graham received the International Franciscan Award in Minneapolis, given by the Franciscan Friars for true ecumenism.

Protestant Traitor, Billy Graham, 1967 —

Here, this Southern Baptist 33rd degree Freemason (according to the late Jim Shaw, a former 33rd degree Freemason

is receiving the yoke of Rome and honorary doctorate from the Jesuits at Belmont Abbey College. Openly admiring the Jesuit Order, Graham has called the Masonic Pope John Paul II “the world’s greatest moral leader.” But according to the ex-Jesuit Alberto Rivera, John Paul II is a known pedophile and during World War II worked for I. G. Farben in a plant near the Nazis’ Auschwitz Death Camp in Poland, making the Zyklon B cyanide gas pellets used to mass-murder “heretics and Jews” pursuant to the Pope’s Fourth Lateran Council (1215) and Council of Trent (1563).

Billy Graham has once stated ‘While I am not worthy to touch the shoe laces of St. Francis of Assisi.’ Francis of Assisi blessed and baptized animals and gave them christian names. Is this the insane mystic that Mr. Graham would have us look up to as an example and role model in the ekklesia?

The Religious News Service reported on January 13, 1981; **‘Pope John Paul II was closeted, for almost two hours with Reverend Billy Graham, the world’s best-known Protestant evangelist,’ still, the public does not know what was said In that private meeting between the two.**

In a further newspaper article; Toronto Star June 26, 1979, the title reads – **‘the pope is almost an evangelist’.** It reads; ‘In an exclusive interview, evangelist Billy Graham hails Pope John Paul’s pilgrimige to Poland as a triumph for christianity. Dr. Graham and other religious leaders also heap praise on the pontiff for helping to push forward the religious revival worldwide.’

Dr. Graham also respected and revered **Mother Teresa of 'The Sisters of Charity' In Calcutta**, which is not unusual as many were deceived by this old woman of Calcutta, India. She is the leader of a Roman Catholic order of Nuns called 'The Sisters of Charity.' The whole world knows about her goodworks rescuing beggars from the slums of Calcutta, and the world of course knows she has received a 'Nobel Peace Prize' for her work. Jesus Christ would never have accepted a Nobel peace prize from this world. Jesus Christ came to tell the truth about this world. He didn't want anything from it. He came to expose the darkness and the wicked works of this world. But just in case there are still skeptics, as to what this woman was all about, continue reading. **Dave Hunt in his book 'Seduction Of Christianity'**, writes;

'Apparently all religions are equally true; nothing is wrong in any of them (Dave Hunt sarcastically quoting about ecumenism). Mother Teresa, who is praised and highly honored by christian leaders, seems to agree. She is to be commended for her selfless service to the suffering street people of Calcutta; however she has denied her patients the opportunity to hear the clear Gospel. There is something more important than 'dying with dignity'. She has said;

'Oh I hope I'm converting. I don't mean what you think.. if in coming face to face with god we accept him in our lives, then, we are converting. We become a better Hindu, a better Muslim, a better 'whatever we are'....what approach would I use? For me, naturally, it would be a Catholic one, for you it may be Hindu, for someone else Buddhist, according to one's conscience. What god is in your mind you must accept.'

Mother Teresa says all paths lead to God; maybe she's been too long in Hindu India and swallowed their demonic doctrines of universalism. Its strange how she never speaks about the Gospel of Grace. The Vatican of course would never hear of that; that would be speaking the truth. If ever a person is going to get into heaven for their good works, it's Mother Teresa. The truth of course is that our own righteousness is as filthy rags and no one is going to enter the Kingdom of Heaven by their own good works, it is only by God's grace and the righteousness of Jesus Christ that anybody will enter heaven. Mother Teresa is an enemy of the cross of Jesus Christ, for teaching otherwise.

The Ecumenical Movement via the Charismatic Movement is greatly furthered and advanced by the anti-christian Pope John Paul II. He loves it, as it is bringing more and more deluded souls into the net of Vatican Rome.

Charles A. Bolton, who was a Roman Catholic priest for many years writes in 'Christianity Today'; 'A new phenomenon in religion is becoming more prominent as each year passes. It is a syncretist movement aiming at the union of all those who believe in God. This phenomenon goes far beyond the so-called Ecumenical Movement, which strives to unify all those who call themselves christian, into one big false 'whore church': see Revelation 17 for proof on this fact. Before the Roman Church took the Ecumenical Movement seriously, she generally alluded to it disparagingly as Pan-Protestantism. The new movement is blessed by some of the hierarchs of the Roman Church as the **Pro DEO (for God) movement**,.....

In establishing this new activity, **the Pope now describes Rome as the Patria Commune**, the '**Common Fatherhood' for-all believers**. However difficult it may be for Muslims, Buddhists and Jews to regard Rome

as **their ‘Common Fatherland’**, the idea is that the new secretariat (a cardinal appointed by Pope to further ecumenism) will make them feel that they now belong.

Roman Catholicism states that there Is no salvation outside of the Roman Catholic Religion – **what a lie!**

Vatican II documents, page 362; 1934 states;

‘It is our hope that the Ecumenical spirit and mutual esteem will gradually increase among all men.’

Vatican II documents, page 32 states;

‘Moreover within the church particular, churches hold a rightful place, The churches retain their own traditions without in any way lessening the ‘primacy of the chair of Peter’ ...

Give Ear! - Primacy means whatever the churches believe, the Pope is still the boss. No Pope has ever declared himself in favor of the freedom of religion. Let us document that fact.

Catholic Encyclopedia Volume XIV, page 763 states;

‘Heretics may not only be excommunicated but also justly put to DEATH.’

Civilta Cattolica, April 1948 states;

‘The Roman Catholic Church must demand, the right of freedom for herself alone.’

Bronson’s Review states;

‘Protestantism of every form has not and never can have any rights where Catholicity is triumphant.’

Give ear! The Inquisition that cost Spain half a million families and the church that signed a ‘Concord with Adolf Hitler’ to support him in the Holocaust has not been forgotten. The Blood of thousands cry out from the ground.

The Roman Catholic Charismatic Movement is considered to be Inspired motivated and created by the Holy Spirit, yet within this movement even, the cult of Mary is particularly prominent with a new devotion to Mary and the use of the Rosary, One is forced to ask, how it can be claimed that the Spirit of Truth (Holy Spirit) can lead into such doctrines as Transubstantiation and Eucharistic Sacrifice (truly an abomination) which is still a central focus of the Roman Catholic Charismatic Movement. On the surface it appears as if Roman Catholicism and the Vatican have changed tremendously over the last thirty years, but has she really changed?

Martyn Lloyd Jones on this states;

‘Ah, but you say, has not the Roman Catholic Church changed? You are simply looking back, you are speaking as if you lived in the sixteenth century - don't you realize you are living In the twentieth century. My answer is quite simple. The proudest boast of the Roman Catholic Church is this; that she never charges -**Semper Eadem** Vatican calls this. How can she change? If she changes she will be admitting she was wrong in the past - but she was saying then that she was infallible, and that the Pope is the **‘vicar of Christ’** and that he cannot make a mistake. If she says that she is capable of change, she is denying her central claim. She does not say she is changing, and she never will. The church of Rome remains the same. If anything she is worse. She has ‘added’ things to what she taught in the sixteenth century, such as Papal

Infallibility etc, No, there is no change in the church of Rome. And if there ever is one great church, it will be because the church of Rome has absorbed all the rest and swallowed them .’

Yes, this is no minor cult; Roman Catholicism, which is really old world Baal Paganism, is the world's largest pseudo-christian cult which very few people are speaking or preaching out against. The Vatican in the mean time is getting stronger all the time; the Vatican has their own banking system, their own flag as the Vatican State is a country/city within Italy. They have their own police force, their own radio station, and a very complex power structure and political hierarchy, as well a seat at the United Nations Assembly.

The late **Dr. Walter Martin**, the so called ‘cults expert’, who wrote ‘**Kingdom Of The Cults**’, in his book did a great job exposing Mormonism, Jehovah's Witness, Christian Science, Armstrongism, Bahai, etc., but said not one singleword about the cult of Roman Catholicism. That's strange, considering Catholicism is one of the largest pseudo-christian cults; the bigger the cult, the bigger the lie.

On **February 2, 1932, the Trinity Broadcasting Network** on channel 40 had **Harold Bredeson**, a prominent Ecumenical leader talking to Walter Martin. Bredeson turned to the camera and said something like this:

‘Walter Martin was the one who helped the charismatic movement to be accepted ‘by the denominations by not attacking it.’ Walter hung his head and smiled. You see, Walter Martin called the Roman Catholic Charismatics his brothers and sisters in Christ. These people still attend, mass and worship that little Jesus cookie as God Almighty. Do you see the danger here. It looks like **Walter Martin and his Christian Research Institute** has betrayed us, as well as all the other pseudo-Protestant churchians who have not taken a strong stand boldly against the Whoredoms of the Roman Catholic Church.

The **one world religious babylon** is fast approaching and will soon be a reality In this world, as we can see the **World Council of Churches** has already been promoting this anti-Christian spirit for some time.

The **Rockefeller funded created ‘United Nations’**, has helped play a great role also in spreading the false peace globally and creating a climate of global acceptance in the religious arena.

The Roman Catholic Church loves it, and is now the forefront leader in this Ecumenical Movement, wherein **Bible Doctrine is secondary to UNITY AT ALL COSTS.**
