Dear Friends, had a brief exchange I related earlie UFO-sects, and personal thoughts of my 'şartlatanlık' recognize that there is nothing else to renovate time I would ... especially in recent years, the communities that supply the dangers to target it turkey, extremely concerned makers among us 'researchers' and 'Relevant' can target young friends are situations, humble me that, I find it Appropriate to give some brief information about dangerous formations thes ...

RAEL-Sector

13Aralık 1973, yet 28 years old Claude, a young rallıcı extinguished near Clermont Ferrand in France to explore the Auvergne volcano Vorilho Expenses. Suddenly the bright lights of a UFO hair, Descends to near 10 meters and through the almond-eyed, long-haired , short black beard and remove aliens. Vorilho's will embark on a flying saucer. Alien, saying that the name Elohim, Vorilho the tour "People gonna tell you the truth, and we are what we" he says. Vorilho surprised asks why he selected. They give the Following interesting response: "France, the birthplace of democracy, and has field titles that the whole world is a free country. In addition, intelligent and we needed someone facing a clear memory of everything. The Most Important of all, we want someone who is not against free-thinking and religion. Jews for you were born without a father and a Catholic mother from you, we have decided that it is an importante link between the two major groups of people in world history. This is why we chose you ...

EVERYTHING should be allowed

The Vorilho still come to the same place the next day. This time the alien tells him what to do as a human being selected. Rael sect, who believe that aliens created humans, through a company called Clonaid early 2000s, people who claim to have cloned a formation on the agenda with group sex rituals. Two years ago, the order came up with images of sex ritual in a luxury hotel leader Claude Vorilho the 'religions' of the rules Gives interesting orders in the sense book: "What no matter the sex with someone, or several people, you hear the desire to lustful or sexual experience, others settle rather, what you want You can pretend. way to awaken the body and mind are so everything is permitted. "

*"The world's whole life we design the form on"
"We are you, God, did you say the wrong"
"We are at the beginning of your all main religions"
"Now that you have a sufficient degree to understand it
you have Reached maturity , officially the embassy way
we want to establish a connection "*

The c.vorilho taken to the planet of the aliens returned from there with a message. Vorilho 'by; Elohim 's so XXI. Century idi.rael is Necessary to prepare for the arrival of the angel of current, the human race, believes that the cloning of advanced alien species arise.

MESSAGE

Rael Explains that dictated the message to the world, life, random evolution, nor supernatural 'Tanrı'taraf from but totally intentional (deliberately), had created the Tarf highly advanced alien Scientists in the scientific field and using DNA. This alien people "in their own kind "the people of the world, how do we that -" had created the scientific creativity "method. These Scientists and Their work, and also references to the symbols of the eternal, many cultures in ancient writings / are the religious book . As an example, Mentioned in the preamble of the

Bible book of creation "Elohim" the word "God" was translated incorrectly. Because in reality it is a plural word "from space" refers to the singular and the word "Elohim to "is (and" God "is also known as). Indigenous cultures all over the world, they came from outer space "gods" are remembered. Among America, Asia, Australia, Europe and Africa (Dogon and Twa) can give as an example of culture.

Despite going to leave the people to their will in the world for the development itself, the way the prophets Elohim (the Prophet. Buddha, Moses, Jesus and Muhammad as ..) they maintain connections with us. These prophets, they were chosen by specially trained. The task of the Prophet, humanity Gradually with every age and culturally Appropriate messages and to educate them on level of understanding. Scroll to them adequately in terms of science, Prophets and contemporary people to is ensure that we recognize as our Creator, leaving traces of the Elohim . His father was a Elohim to the Prophet. Jesus, we are privileged to live in this disclosure / explanation as to prepare the age of the messages given to him was given the task of spreading to the whole world ...

75 THOUSAND HAVE TO MEMBERS

It is estimated that today no organized 75 thousand members in 84 countries, the world's most heretical sect, Claude Rael, leader of Vorilho, "the message from the aliens' book cites the case of mad orders from each of the messages given by the alien to feel disciples in. His "Godless religion's founder," is telling, religion, marriage, uncorked military, tells the necessity of unlimited sex. By aliens "messenger" which means "Rael" Vorilho take the title that said, the latest in 2035 Suggested that in fact claims that aliens created humans would dominate the world. Until this sector argues that an embassy should do. Aliens are flying above the embassy they told him he should circle-shaped building in Israel. If the future of Israel and the world manager alien Refuses to embassies of Palestine, Egypt, Israel or going to set up in a nearby country like Turkey ..

GOALS IN TURKEY YES

Disciple of feeling "prophet of the religion," he believes that Vorilho the Rael sect on the orders of Turkey chose to target him. First in 2004 in the order of Turkey leadership held its first meeting on the five-star hotel in Taksim, saying that the pharmacologist named Suat waters, 22 language, claiming that he knew, he was appointed one of feeling the former ralliçi as the leader of the same sect. 61-year-old Suat waters, Indonesia would do randevulaşıp Negotiations with aliens on the island of Java in a period had Suggested. Waters, at that time, announced the arrival of the alien cult to Turkey with interest in the Euphrates basin. Sector's Middle East representative also attended the meetings of Leon Mellul and his team tried to is ensure the Participation of Turkey. Rael sector in 2004, with the Resulting image scandal beg that to experience difficult days in Turkey. Because of space and sex Rael sect members undressing is with music, they kiss, a ritual of the cult of "the sex rites" were performing. He chose the better way to make a secret cult activities since then. Because the need for the Turkish government, as well as had great response from the community. Today, no longer having a relationship with Rael sect said Suat waters, says the prosecution to spend that time in legal proceedings. He also argues that even actively taking part in the coup Rael cult hit. However the, waters, contrary to the information given at that time about the sector's objectives during and work, in Rael claims that Turkey today. What attending meetings more than two nobody remembers years ago, nor is giving the information. But he wrote the cult leader Rael, the book distributed by a sect members "Turkey Raelian Movement" in the address section of Suat waters ...

'CREATIVE 2035'T COMING'

A day will come when the embassies of the aliens and they want to make the design itself is already in Israel. However is, the state of Israel since the beginning of the years 1990 the sector gives a negative response to this demand. The Vorilho the alien Explains with these words that the girl in this case "on a piece of land that will give the government the Embassy, we desire to be made in Israel, they do not buy, you can install other countries will be given a new penalty for not recognizing that the ambassador to Israel. " alien to him "You're a prophet religion of religions" also suggesting that Vorilho's sector "lustful education" has the name of the rules. "You will never hear from the body, or nakedness would not offend the ayıplık nothing more creative than those heard them the shame of our seemingly "cult leader said, boundaries advise them to remove the child to
